The supervising teacher shall collect and keep the transfer certificate of the candidate so as to ensure that she/he does not undergo any other course either Full Time or Part Time before the submission of thesis.

The maximum period for Full Time Ph.D. research is five years and that of Part Time Ph.D. research is eight years after which the registration shall automatically lapse. The following regulations will be applicable to those who register for PhD research from July 2009 onwards and prior to July 2016.

Part-time research scholars working/residing outside the head quarters of the supervising teacher shall spent a period of at least six months at a stretch or in not more than three instalments at the centre of research before they are allowed to submit the thesis.

A course work of six months duration is introduced for all Ph.D programmes. There will be three papers for the course work with one paper on Research Methodology and two other papers related to the area of research. Candidates who have passed the M.Phil degree course, which offers Research Methodology, are exempted from writing the examination of Research Methodology. The research scholars are eligible to appear for the examination after six months from the date of registration. The syllabus of the paper will be framed by the supervising teacher and approved by the Doctoral Committee.

The Ph.D. thesis can be submitted only after passing the examination of the course work. A maximum of three attempts will be allowed for passing the examination of the course work. Those who do not pass the examination of the course work within two years from the date of registration will not be allowed to continue the programme. This is applicable to Full Time and Part Time researchers.

A pre-submission seminar conducted in the Department is one of the requirements for submission of thesis. Students who have passed the coursework examinations and have successfully undergone at least two annual progress assessment by the doctoral committee and are in the final stages of research are eligible to apply for the pre-submission presentation. PhD scholars shall publish at least two research papers in a referred journal bearing ISSN before the submission of thesis for adjudication and produce evidence for the same in the form of acceptance letter or reprint.

The pre submission will be organized in the concerned Research Centre and will be conducted by a Board consisting of the Doctoral Committee and an external expert from outside the Department/Research Centre. Recommendations of the Board has to be included in the thesis.

University of Kerala has adopted Green Charter.

Full time research scholars are eligible to apply for University Junior Research Fellowship, with effect from the date of registration and within three months of this order. The research scholars shall pay the fee as prescribed from time to time (See See www.research.keralauniversity.ac.in for fee details). An affiliation fee of ₹400 shall be remitted along with the research fee. Research scholars except SC/ST students shall remit an amount of ₹1000 as annual fee for meeting the expenses towards the conduct of open defence.

As per University Order No.Ac.E1.A/2013 dtd 23.10.13, the recipients of time bound fellowships shall be given a time limit of two years for passing the course work examination with effect from the date of University Order granting registration.

ORDER

Sanction has been accorded by the Vice-Chancellor to the following candidate, whose details are furnished below, being granted registration for research leading to Ph.D. Degree in Physics under the Faculty of Science in the July 2016 session. The registration and the research work undertaken shall be governed by the Regulations for award of Ph.D. Degrees, University of Kerala, 2016.

ID	Name of Candidate & Whether Full Time or Part Time	Name of Guide & Research Centre	Topic of research	Effective Date of Regn.
14483	ATHIRA A R Full-Time	Guide Dr. XAVIER. T. S Centre Govt. College for Women, Vazhuthacaud, Trivandrum	Conducting Polymer based Electrode Materials for Supercapacitor Applications Course Work Details: Paper I - Research Methodology (Exempted) Paper II - Nanoscience and Nanotechnology Paper III - Electrochemical Super Capacitors	01/03/2017

The supervising teacher shall collect and keep the transfer certificate of the candidate so as to ensure that she/he does not undergo any other course either Full Time or Part Time before the submission of thesis.

Ph.D Programme shall be for a minimum duration of three years, including course work and a maximum of six years for both Full Time and Part Time after which the registration shall automatically lapse. However, women candidates and candidates with disability of more than 40 percent shall be allowed a relaxation of two years for Ph.D. in the maximum duration.

A course work of six months duration is introduced for all Ph.D programmes. There will be three papers for the course work with one paper on Research Methodology and two other papers related to the area of research. Candidates who have passed the M.Phil degree course, which offers Research Methodology, are exempted from writing the examination of Research Methodology. The research scholars are eligible to appear for the examination after six months from the date of registration. The syllabus of the paper will be framed by the supervising teacher and approved by the Doctoral Committee.

The Ph.D. thesis can be submitted only after passing the examination of the course work. A maximum of three attempts will be allowed for passing the examination of the course work. Those who do not pass the examination of the course work within two years from the date of registration will not be allowed to continue the programme. This is applicable to Full Time and Part Time researchers.

A pre-submission seminar conducted in the Department is one of the requirements for submission of thesis. Students who have passed the coursework examinations and have successfully undergone at least two annual progress assessment by the doctoral committee and are in the final stages of research are eligible to apply for the pre-submission presentation. Ph. D scholars shall publish at least two research papers in a referred Journal bearing ISSN before the submission of thesis for adjudication and produce evidence for the same in the form of acceptance letter or the reprint.

The pre-submission will be organized in the concerned Research Centre and will be conducted by a Board consisting of the Doctoral Committee and an external expert from outside the Department/ Research Centre. Recommendations of the Boards has to be included in the thesis.

University of Kerala has adopted the Green Charter.

Full time research scholars are eligible to apply for University Junior Research Fellowship, with effect from the date of registration and within three months of this order. The research scholars shall pay the fee as prescribed from time to time (See www.research.keralauniversity.ac.in for fee details). An affiliation fee of ₹400 shall be remitted along with the research fee. Research scholars except SC/ST students shall remit an amount of ₹1000 as annual fee for meeting the expenses towards the conduct of open defence.

As per University Order No.Ac.E1.A/2013 dtd 23.10.13, the recipients of time bound fellowships shall be given a time limit of two years for passing the course work examination with effect from the date of University Order granting registration.

Orders are issued accordingly.
